Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for an Allied Health Education Facilities Renovation in Fiscal Year 2023. The entity to receive such funding is Franciscan Missionaries of Our Lady University, located at 7443 Picardy Avenue, Baton Rouge, LA 70808. This funding will be used to improve the University's facilities to train future healthcare professionals and meet some of Louisiana's most critical allied health workforce needs. FranU will demolish, renovate, and expand the School of Health Professions building to create 4,000 square feet of classroom space for their allied health programs. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Garret Graves  
Member of Congress
